

## Press Release

### Indo-China Business Summit at Beijing concludes on high note

Beijing, China, December 21-22, 2012

Indo-China Business Summit was organised by China's apex food institution the **Chinese Institute of Food Science and Technology (CIFST)** with focus on Flavours Industry and participation from large sector of Food and Nutritional industry in China. On invitation from CIFST, the Indian Delegation organised by Nutra India Summit was a successful visit & a great experience with grand hospitality extended from the CIFST to the Indian Delegation for which we sincerely thank and appreciate the same.

The **Indo-China Business Summit** was chaired by **Prof. Meng Suhe**, President, CIFST with eminent scientific leadership like **Dr. V. Prakash**, Chairman Nutra India Summit & **Dr. Pingfan Rao**, President (2012-2014) of International Union of Food Science and Technology (IUFOST) & Vice President, CIFST along with **Mr. Jagdish Patankar**, Organising Secretary, Nutra India Summit & MD. MM Activ.

Nutra Sector from India was very well represented by participation from **Indian Industry & Corporate, AYUSH Sector** and **Government of Karnataka** who have always been the front runners in inviting new technological and research project to come and set homes in the State. The Delegation also gave a visit to the **Industrial City Tianjin**, to conduct & connect with more business establishments for better business prospects.

Indo-China Business Summit has initiated a novel relationship for promoting and encouraging networking between India & China. CIFST has already taken the first step by inviting us to connect with the Chinese Industry. The Indo-China Business Summit at Beijing has served as a platform to get three important institutions like **CIFST**, International Society for Nutraceutical, Nutritionals and Naturals (**ISNNaN**) and **MM Activ** to sign and exchange the **Expression of Interest (EOI)**; to work very closely in this sector and collaborate to offer various networking and trade & business opportunities for Nutraceutical, Nutritionals and Naturals sector including Flavours & Fragrances as major arm of this industry.

### **Nutra India Summit welcomes!**

We are privileged to extend invitation to the CIFST officials and the Industry and Scientific Fraternity from China to join us at **8th Nutra India Summit 2013** to be held from **March 13-16, 2013** at **Mumbai**. Experience a fertile Environment to Connect and Partner with the right sector companies and leaders to increase business Horizon and offer more knowledge sharing to this Asian Subcontinent.
